PROFESSIONAL SUMMARY

Motivated Computer Science undergraduate with hands-on experience in Java Full Stack Development. Proficient in Java, Spring Boot, React.js, RESTful API development, and MySQL database management. Experienced in designing scalable web applications, implementing CRUD operations, optimizing SQL queries, and applying Object-Oriented Programming (OOP) principles. Strong understanding of MVC architecture, Data Structures, and Agile/Scrum methodologies. Seeking an entry-level Java Full Stack Developer role to contribute technical expertise and problem-solving skills.

TECHNICAL SKILLS

Programming Languages: Java, JavaScript, C, C++

Frontend: HTML5, CSS3, Bootstrap, React.js

Backend: Spring Boot, RESTful APIs, MVC Architecture

Database: MySQL, SQL Query Optimization, Database Design

Tools: Git, GitHub

Core Concepts: OOP, Data Structures, CRUD Operations, API Integration, Agile/Scrum

EDUCATION

Bachelor of Engineering (B.E) in Computer Science

Nellai College of Engineering | 2022 – 2026

Higher Secondary (HSC) & SSLC – TIME Matric Higher Secondary School

PROFESSIONAL EXPERIENCE

Java Full Stack Intern | Dvein Innovations | January 2026 – April 2026

Developed responsive and user-friendly web applications using HTML5, CSS3, JavaScript.

Designed and implemented RESTful APIs using Spring Boot following MVC architecture.

Integrated MySQL database and performed CRUD operations for dynamic data handling.

Optimized SQL queries, improving application performance and reducing response time.

Collaborated in Agile/Scrum environment and used Git for version control.

PROJECTS

Full Stack Web Application | Java, Spring Boot, React.js, MySQL

Developed a complete end-to-end web application with frontend-backend integration.

Built REST APIs for secure data communication between client and server.

Designed relational database schema with proper normalization techniques.

Implemented user authentication, form validation, and secure session handling.

Applied clean code practices and modular programming for maintainability.

CERTIFICATIONS

ADJP Course – CSC Computer Education

Completed training in C, C++, and Core Java programming.

ACHIEVEMENTS

Secured 3rd Place in National-Level Technical Paper Presentation (PIXO-2025).

SOFT SKILLS

Teamwork | Collaboration | Adaptability | Problem Solving | Communication
